Sir:

The references cited on attached form PTO/SB/08B are being called to the attention of the Examiner. This application is a continuation of and relies on U.S. Patent Application No. 09/845,226, filed April 30, 2001 (Attorney Docket No. 022266-000920US), which is a divisional of and relies on U.S. Patent Application No. 09/603,713, filed June 27, 2000 (Attorney Docket No. 022266-000910US) for an earlier effective filing date under 37 U.S.C. §120. In accordance with 37 CFR §1.98(d), copies of those references that have been previously submitted to or cited by the Patent Office in the parent applications are not enclosed. Copies of references FK-FL have not been previously cited, and are therefore enclosed.

Further, Applicants attach a copy of an Australian Examination Report dated June 26, 2006, which was issued in counterpart Australian application No. 2004202058, and in which references FK-FL were cited.

TP

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

This IDS is being filed before the mailing date of the final Office Action or Notice of Allowance.

Please charge the IDS fee of \$180 to Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

Edward D. Robinson
